Catchment Management Authority (CMA)	Local Land Services Greater Sydney PO Box 4515, WESTFIELD PENRITH 2750	25 July 2017	27 July 2017	GS LLS is a partner with many Aboriginal communities in the region on many natural resource management (NRM) projects. However, GS LLS is not the primary source for contacting or managing contact lists for Aboriginal communities or persons that may inform or provide comment on planning issues. GS LLS considers cultural heritage issues that relate to land-use planning in general and only considers culture and heritage issues in the context of NRM. We strongly recommend that you make contact with the Office of Environment and Heritage (OEH), Cultural Heritage Division, for all-inclusive contact lists of persons and organisations that may assist with your investigation.	15-0448lsgsc1

Dear Ms O'Malley,

On behalf of Anglican Schools Corporation, GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to the Aboriginal heritage assessment and future development of the Rouse Hill Anglican College campus. The study area is located at

The study area is located at Lot 130 DP1138775 and Lot 14 DP1120290. This land is at the intersection of Rouse Road and Worcester Road, Rouse Hill.

A Due Diligence assessment of Aboriginal heritage values has been prepared and lodged to accompany a Development Application for the RHAC Masterplan. The plan includes a junior school area at the north of site expanded via relocation and further student growth with 3 new classroom modules, new roadway and carparking and associated landscaped areas. A senior school area will be extended at the south of the site with demolition and replacement of previous teaching modules with new teaching spaces including for specialist teaching streams, new roadway and associated landscaped areas. A new library is also planned multi-purpose building, and associated landscaped areas shared between the junior school and senior school.

The purpose of community consultation with Aboriginal people is to assist in the preparation of an AHIP application. In accordance with the OEH's 'Aboriginal cultural heritage consultation requirements for proponents 2010' GML is required to 'compile a list of Aboriginal people who may have an interest for the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

Would you please provide in writing (a letter, fax or email) a list of any relevant Aboriginal people/groups who should be consulted with respect to this project. Your earliest attention to this matter would be appreciated.

Re: Aboriginal Registration for Community Consultation—Rouse Hill Anglican College Masterplan.

Dear Sir/Madam,

On behalf of Anglican Schools Corporation, GML Heritage (GML) seeks registration from local Aboriginal groups and people with respect to the Aboriginal heritage assessment and future development of the Rouse Hill Anglican College campus. The study area is located at

The study area is located at Lot 130 DP1138775 and Lot 14 DP1120290. This land is at the intersection of Rouse Road and Worcester Road, Rouse Hill.

A Due Diligence assessment of Aboriginal heritage values has been prepared and lodged to accompany a Development Application for the RHAC Masterplan. The plan includes a junior school area at the north of site expanded via relocation and further student growth with 3 new classroom modules, new roadway and carparking and associated landscaped areas. A senior school area will be extended at the south of the site with demolition and replacement of previous teaching modules with new teaching spaces including for specialist teaching streams, new roadway and associated landscaped areas. A new library is also planned multi-purpose building, and associated landscaped areas shared between the junior school and senior school.

The purpose of community consultation with Aboriginal people is to assist in the preparation of an AHIP application. In accordance with the OEH's 'Aboriginal cultural heritage consultation requirements for proponents 2010' GML is required to 'compile a list of Aboriginal people who may have an interest for the proposed project area and hold knowledge relevant to determining cultural significance of Aboriginal objects and/or places.

Would you please provide in writing (a letter, fax or email) a list of any relevant Aboriginal people/groups who should be consulted with respect to this project. Your earliest attention to this matter would be appreciated.

The list of Aboriginal people/groups should be sent to:

Re: Request - Search for Registered Aboriginal Owners

I refer to your email dated 25 July 2017 regarding an Aboriginal Cultural Heritage Assessment in Rouse Hill, NSW.

I have searched the Register of Aboriginal Owners and the project area described does not have Registered Aboriginal Owners pursuant to Division 3 of the *Aboriginal Land Rights Act 1983* (ALRA).

I suggest that you contact the Deerubbin Local Aboriginal Land Council on (02) 4724 5600. They may be able to assist you in identifying other Aboriginal stakeholders for this project.

Native title search – NSW Freehold Parcels within Blacktown City Council LGA

Your ref: 15-0448alrac1- **Our**

ref: SR2878

Dear Shezani Nasoordeen,

Thank you for your search request received on 25 July 2017 in relation to the above area, please find your results below.

Please note: Where the area identified to be searched is indistinct, generalised, or is for a freehold parcel, the results provided may relate to the Local Government Area (LGA) or Local Aboriginal Land Council (ALC).

Please note: Records held by the National Native Title Tribunal as at 25 July 2017 indicate that there are no Native Title Determination Applications, Determinations of Native Title, or Indigenous Land Use Agreements over the identified area of Blacktown City Council LGA.

Search Results

The results provided are based on the information you supplied and are derived from a search of the following Tribunal databases:

- Schedule of Native Title Determination Applications
- Register of Native Title Claims
- National Native Title Register
- Register of Indigenous Land Use Agreements
- Notified Indigenous Land Use Agreements

For more information about the Tribunal's registers or to search the registers yourself and obtain copies of relevant register extracts, please visit our [website](#).

Please note: There may be a delay between a native title determination application being lodged in the Federal Court and its transfer to the Tribunal. As a result, some native title determination applications recently filed with the Federal Court may not appear on the Tribunal's databases.

The search results are based on analysis against external boundaries of applications only. Native title applications commonly contain exclusions clauses which remove areas from within the external boundary. To determine whether the areas described are in fact subject to claim, you need to refer to the "Area covered by claim" section of the relevant Register Extract or Schedule Extract and any maps attached.

Search results and the existence of native title

Please note that the enclosed information from the Register of Native Title Claims and/or the Schedule of Applications is **not** confirmation of the existence of native title in this area. This cannot be confirmed until the

Federal Court makes a determination that native title does or does not exist in relation to the area. Such determinations are registered on the National Native Title Register.

Tribunal accepts no liability for reliance placed on enclosed information

The enclosed information has been provided in good faith. Use of this information is at your sole risk. The National Native Title Tribunal makes no representation, either express or implied, as to the accuracy or suitability of the information enclosed for any particular purpose and accepts no liability for use of the information or reliance placed on it.

Dear Ms Nasoordeen,

OEH received your letter dated 25/07/2017 regarding obtaining a list of the Aboriginal stakeholders that may have an interest in the proposed Rouse Hill Anglican College campus development at the intersection of Rouse Road and Worcester Road, Rouse Hill (Lot 130 DP 1138775 and Lot 14 DP 1120290).

Before making an application for the issue of an Aboriginal Heritage Impact Permit, the applicant must carry out an Aboriginal community consultation process in accordance with the National Parks and Wildlife Regulation 2009 and completed to the stage described in subclause 80C.

Please find attached the list of Aboriginal stakeholders known to OEH that may have an interest in the project. OEH's list of regional stakeholders is a list of groups, organisations or individuals who may hold cultural knowledge relevant to a proposal in a region. You should contact the stakeholders who have indicated an interest in the Local Government Area (LGA) relevant to your project. Contact details are correct as at the time of registration. Consultation with Aboriginal people should not be confused with employment. Inclusion on the OEH's list is not an automatic right to employment. It is the decision of a proponent on who they choose to engage to deliver services based on a range of considerations including skills, relevant experience, and WHS considerations. To be clear, the proponent is under no obligation to employ Aboriginal people registered for consultation.

Further, receipt of this information does not remove the requirement of a proponent/consultant to advertise in local print media and contact other bodies seeking interested Aboriginal parties. Consultation with Aboriginal stakeholders must be in accordance with the *Aboriginal Cultural Heritage Consultation Requirements for Proponents 2010* which can be found on the Office of Environment and Heritage (OEH) public website by accessing the following link:

<http://www.environment.nsw.gov.au/resources/cultureheritage/commconsultation/09781ACHconsultreq.pdf>

If you wish to discuss any of the above matters further please contact Samantha Gibbins, Archaeologist, on (02) 9895 6586.

Yours sincerely,

LIST OF ABORIGINAL STAKEHOLDERS FOR THE GREATER SYDNEY BRANCH HELD BY OEH FOR THE PURPOSES OF THE ABORIGINAL CULTURAL HERITAGE CONSULTATION REQUIREMENTS FOR PROPONENTS 2010

These lists are provided to proponents in accordance with section 4.1.2 of the *Aboriginal Cultural Heritage Consultation Requirements for Proponents 2010* (the "Consultation Requirements") which commenced on 12 April 2010.

The consultation process involves getting the views of, and information from, Aboriginal people and reporting on these. It is not to be confused with other field assessment processes involved in preparing a proposal and an application. Consultation does not include the employment of Aboriginal people to assist in field assessment and/or site monitoring. Aboriginal people may provide services to proponents through a contractual arrangement however, this is separate from consultation. The proponent is not obliged to employ those Aboriginal people registered for consultation. Consultation as per these requirements will continue irrespective of potential or actual employment opportunities for Aboriginal people.

A copy of the Consultation Requirements can be found on the OEH website at: <http://www.environment.nsw.gov.au/resources/cultureheritage/commconsultation/09781ACHconsultreq.pdf>.

Under the Consultation Requirements; a proponent is required to provide Aboriginal people who hold cultural knowledge relevant to determining the cultural significance of Aboriginal objects and/or places as relevant to the proposed project area, with an opportunity to be involved in consultation. Section 3.3.1 of the Consultation Requirements states that Aboriginal people who can provide this information are, based on Aboriginal lore and custom, the traditional owners or custodians of the land that is the subject of the proposed project.

The Consultation Requirements also state that:

Traditional owners or custodians with appropriate cultural heritage knowledge to inform decision making who seek to register their interest as an Aboriginal party are those people who:

- *continue to maintain a deep respect for their ancestral belief system, traditional lore and custom*
- *recognise their responsibilities and obligations to protect and conserve their culture and heritage and care for their traditional lands or Country*
- *have the trust of their community, knowledge and understanding of their culture, and permission to speak about it.*

Please note: the placement of an organisation's name on any OEH Aboriginal stakeholder list for the Consultation Requirements does not override a proponent's requirement to also advertise in the local newspaper and to seek from other sources the names of any other Aboriginal people who may hold cultural knowledge as required under clause 80C of the National Parks and Wildlife Regulation 2009.

How to use this list

1. Determine which Local Government Area/s (LGA/s) your project area falls into
2. Identify which organisations and individuals on the list have an interest in the LGA/s relevant to your project – identified in column 6 of the list
3. Contact the organisations/individuals who have indicated an interest in the relevant LGA/s and invite them to register an interest in your project

Do not reproduce the attached list in publicly available reports and other documents. Your report should only contain the names of the organisations and individuals who you have invited to register an interest in your project and those who have registered as stakeholders for your project.

To Shezani Nasoodeen,

RE: Aboriginal Registration for Community Consultation—Rouse Hill Anglican College Masterplan

Thank you for your letter dated 25 July 2017, requesting assistance with identifying Aboriginal stakeholder groups or persons who may have an interest in your project area.

Greater Sydney Local Land Services (GS LLS) acknowledges that Local Land Services have been listed in *Section 4.1.2 (g) of the Aboriginal cultural heritage consultation requirements for proponents 2010*, under *Part 6, National Parks and Wildlife Act 1974* as a source of information to obtain the “names of Aboriginal people who may hold cultural knowledge relevant to determining the significance of Aboriginal *objects* and/or *places*”.

GS LLS is a partner with many Aboriginal communities in the region on many natural resource management (NRM) projects. However, GS LLS is not the primary source for contacting or managing contact lists for Aboriginal communities or persons that may inform or provide comment on planning issues. GS LLS considers cultural heritage issues that relate to land-use planning in general and only considers culture and heritage issues in the context of NRM.

We strongly recommend that you make contact with the Office of Environment and Heritage (OEH), Cultural Heritage Division, for all-inclusive contact lists of persons and organisations that may assist with your investigation.

Note: Hawkesbury Nepean Catchment Management Authority (HNCMA) no longer exists. All work previously carried out by HNCMA is now delivered by Greater Sydney Local Land Services (GS LLS).

Regards,

Dear Madam,

**Request for Relevant Aboriginal Stakeholders Information –
Rouse Hill Anglican College Masterplan**

Thank you for your letter dated 25 July 2017 regarding Aboriginal stakeholders contact details relevant to the above.

The NSW Office of Environment and Heritage (OEH) has advised us that their consultation list for this purpose is confidential and may only be obtained on a project by project basis from officers of the OEH.

Please contact Fran Scully of the Office of Environment and Heritage Regulatory Group on 9995 6830 for further assistance.

Yours faithfully,

Trevor Taylor
Manager Development Policy

Aboriginal registration for Community Consultation—Anglican Schools Corporation. 3 August 2017.

On behalf of Anglican Schools Corporation (the proponent), GML Heritage (heritage consultants) seek registration from local Aboriginal groups and people with respect to the Aboriginal heritage assessment and future development of the Rouse Hill Anglican College (RHAC) campus. The study area is located at Lot 130 DP1138775 and Lot 14 DP1120290. This land is at the intersection of Rouse Road and Worcester Road, Rouse Hill.

The plan includes a junior school area at the north of site expanded via relocation and further student growth with 3 new classroom modules, new roadway and carparking and associated landscaped areas. A senior school area will be extended at the south of the site with demolition and replacement of previous teaching modules with new teaching spaces including for specialist teaching streams, new roadway and associated landscaped areas. A new library is also planned multi-purpose building, and associated landscaped areas shared between the junior school and senior school.

The purpose of community consultation with Aboriginal people is to assist in the preparation of an Aboriginal Heritage Impact Permit (AHIP). GML invites local Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the area of Rouse Hill to register an interest in a process of community consultation regarding the proposed activity.

All registrations of interest should be received by GML no later than the 18 August 2017. Written registration should be marked 'RHAC Due Dilligence' and sent to:

Shezani Nasoordeen, GML Heritage, 372 Elizabeth Street, SURRY HILLS NSW 2010. Alternatively registration can be made by email (shezanin@gml.com.au), or by phone (9319 4811).

Please be advised that the details of all parties who register an interest in the project will be forwarded to OEH and the Local Aboriginal Land Council unless you specifically request that these details should not be released.

Aboriginal Archaeological & Cultural Heritage Assessment

Dear Shezani,

Please be advised that Darug Land Observations Pty Ltd is seeking to be involved in any and all consultation meetings and fieldwork.

This office specialises in Aboriginal and community consultations, and has a membership that comprises of Traditional owners from the area in question. Those retain strong story, song lines, oral history and continued contact.

We would also like to state that we do not accept or support any person or organisation that are NOT from the DARUG Nation that comments regarding the said area.

Please also be advised that this Aboriginal organisation does not do volunteer work or attend unpaid meetings. I hope that you advise your client of this so that, 'This Group', will not be discriminated against and refused paid fieldwork. DLO's rate is \$440 half day (less than 4 hours) and \$880 per day (flat rate), including GST.

All correspondence should be emailed to: daruglandobservations@gmail.com and any further consultation during this project can be directed to Anna O'Hara on mobile 0413 687 279.

Yours sincerely,

RE: Aboriginal Cultural Heritage Consultation RHAC Campus Worcester Road Rouse Hill.

Aboriginal Archaeology Service is seeking *primary involvement* in all consultation meetings and fieldwork for the above-mentioned project. AAS immediate family has lived in the area from 1897 and retains local and oral history on behalf of its first nation people. We have no objection to our information being provided to the Office of Environment and Heritage and the Local Aboriginal Land Council.

AAS can assist with input that can be incorporated into a written assessment of cultural values of the area. We are also able to provide fit staff to assist with work that may involve physical labour. We can provide our schedule of rates and copies of relevant certificates of currency for business insurances on request.

All correspondence should be emailed to AAS.info@bigpond.com and andle81@bigpond.com or to the above postal address. The area is an important part of our culture and valued by our family.

Yours truly

Andrew Williams

Dear Sir/Madam,

On behalf of Anglican Schools Corporation, GML Heritage Pty Ltd (GML) seeks registration from local Aboriginal groups and people who wish to be consulted with respect to the future application for an Aboriginal Heritage Impact Permit (AHIP) under Part 6 of the *National Parks and Wildlife Act 1974* (NPW Act). Your name has been supplied by the Office of Environment and Heritage (OEH) as an Aboriginal stakeholder in association with the region.

In accordance with the OEH's *Aboriginal cultural heritage consultation requirements for proponents 2010*, GML is required to compile a list of Aboriginal people who may have an interest in the proposed project area and hold cultural knowledge relevant to determining cultural significance of Aboriginal objects and/or places in the study area. The OEH have recently stated:

The consultation process involves getting the views of, and information from, Aboriginal people and reporting on these. It is not to be confused with other field assessment processes involved in preparing a proposal and an application. Consultation does not include the employment of Aboriginal people to assist in field assessments and/or site monitoring.
(OEH 2015)

GML also advises that registration in the consultation process does not necessarily lead to future paid work.

The Study Area

The study area is located at Lot 130 DP1138775 and Lot 14 DP1120290. This land is at the intersection of Rouse Road and Worcester Road, Rouse Hill (Figure 1).

A Due Diligence assessment of Aboriginal heritage values has been prepared to accompany a Development Application for the RHAC Masterplan. The plan includes a junior school area at the north of site expanded via relocation and further student growth with 3 new classroom modules, new roadway and carparking and associated landscaped areas. A senior school area will be extended at the south of the site with demolition and replacement of previous teaching modules with new teaching spaces including for specialist teaching streams, new roadway and associated landscaped areas. A new library is also planned along with a multi-purpose hall, and associated landscaped areas shared between the junior school and senior school. The proponent contact is Kyle Watson, Anglican Schools Corporation, c/o Terroir (lennon@terroir.com.au).

Registration

If you believe that you hold cultural knowledge relevant to determining the significance of Aboriginal object(s) and/or place(s) in the Rouse Hill area, please register an interest in the process of community consultation regarding the proposed activity. In line with OEH's consultation guidelines (Section 3.3.1), Aboriginal people who can provide information for 'decision making' are those who:

- *continue to maintain a deep respect for their ancestral belief system, traditional lore and custom*
- *recognise their responsibilities and obligations to protect and conserve their culture and heritage and care for their traditional lands or Country*
- *have the trust of their community, knowledge and understanding of their culture, and permission to speak about it...*

DECCW respects the rights of Aboriginal people with a historical connection to Country to, with their permission, act on behalf of Aboriginal people with a traditional connection to Country. (OEH 2010: Section 3.3.1)

If you wish to register, please provide in writing (via letter or email) a statement clarifying that you wish to be involved in future Aboriginal community consultation and how you will assist with the assessment of cultural significance (addressing the OEH's requirements for registration stated above). If you register an interest in the project your details will be forwarded to OEH and the Local Aboriginal Land Council (LALC) unless you specify that you do not want your details released.

In accordance with the OEH guidelines for community consultation, 14 days are allowed for registration. Please provide your response by **25 August 2017** to:

Shezani Nasoordeen

Alternatively, registration can be made by email (shezanin@gml.com.au) or faxed to GML at 02 9319 4383. Please provide a current email address, as all future project correspondence will be electronic, unless you request otherwise.

If you have any questions about this project please call me on 9319 4811.

Yours sincerely
