RE: OBJECTION TO THE PROPOSED DEVELOPMENT OF 201 ELIZABETH STREET, SYDNEY

If we wish to object to the proposed development of 201 Elizabeth Street, Sydney for the following reasons:

[STATE YOUR REASONS BELOW]

If the proposed building is located on the west side of the block and will be particularly affected. The noise and dust will be a significant impact on my development.

Two new buildings will result in significant reduction in the views, as well as the expected construction will result in significant reduction in property values for an extended period of time.

I strongly oppose this development. The noise, dust, and other health impacts of the development, and the shadowing effect resulting from the blocking building, will be strongly negative.
