

This architectural floor plan depicts a building with a complex layout. On the left, a large circular area contains a grid of points, possibly representing a landscape or a specific design feature. The main building structure includes a large circular auditorium with tiered seating, a rectangular lecture hall with rows of desks, and several smaller rooms and corridors. The plan is annotated with various labels and symbols, including room numbers (e.g., 1xPC, 15xLoT, 6xCR, 11xPX, 10xPX), furniture layouts, and a red squiggle on the left edge. The drawing is a detailed technical representation of the building's interior space.

This drawing is the copyright of Group GSA Pty Ltd and may not be altered, reproduced or transmitted in any form or by any means in part or in whole without the written permission of Group GSA Pty Ltd. All levels and dimensions are to be checked and verified on site prior to the commencement of any work, making of shop drawings or fabrication of components. Do not scale drawings. Use figured Dimensions.
