Dear Sir,

### Tahmoor South Coal Project SSD 8445 – Wollondilly and Wingecarribee LGAs.

Reference is made to correspondence dated 16 January 2019 seeking comments on the Environmental Impact Assessment prepared in relation to the above State Significant Development – SSD 8445, in accordance with the *Environmental Planning and Assessment Act 1979*.

The New South Wales Rural Fire Service (NSW RFS) has reviewed the information provided and provides the following advice regarding bush fire protection measures for the proposed development:

1. A Fire Management Plan (FMP) shall be prepared for the proposed facility in consultation with the local NSW RFS District Office. The FMP shall include:
  - 24 hour emergency contact details including alternative telephone contact
  - Site infrastructure plan including but not limited to:
    - the location of all ventilation shafts and associated bushfire measures,
    - the expansion of the emplacement area and the affect it will have on the fire management strategy. ie reduction of SFAZ treatment areas, effect on fire trails and containment line networks.
  - Fire-fighting water supply plan
  - Site access and internal road plan
  - Construction of asset protection zones and their continued maintenance
  - Location of hazards (physical, chemical and electrical) that will impact on fire-fighting operation and procedures to manage identified hazards during the fire-fighting operations
  - Such additional matters as required by the NSW RFS District Office

If you have any queries regarding this advice, please contact Anna Jones, Development Assessment and Planning Officer, on 1300 NSW RFS.
