Dear Mr. Nixon,

**Extension of Construction Working Hours – Condition C6
Picton High School Redevelopment (SSD 8640)**

I refer to your submission dated 20 February 2020 requesting the Planning Secretary's approval to work outside of the approved hours of construction in accordance with C6 of SSD 8640. I also acknowledge your response to the Department's review comments and requests for additional information.

I note that the extension of out of hours (OOH) works application:

- has been reviewed by the Applicant and no issues have been raised;
- includes appropriate justification for the removal of contaminated materials from the site that pose a safety hazard as shown on a Plan submitted with the letter; and
- is limited to work on Saturdays only between 1pm to 6pm from 29 February 2020 to 28 March 2020.

As delegate of the Planning Secretary, I approve the request for the OOH works in accordance with condition C6(d) of SSD 8640 subject to:

1. The works being undertaken within the timeframe specified above;
2. Written notice being provided to local residents at least 48 hours before the commencement of the OOH works. The written notice must:
 - identify the location, duration and activities that will occur;
 - include a commitment to undertake suitable mitigation measures related to contamination removal including addressing any community complaints; and
 - provide a valid telephone contact number of the site manager during the OOH works;
3. No other activities such as rock breaking, rock hammering, sheet piling or pile driving, or any other construction activity occurring during the out of hours works;
4. Any complaints being managed in accordance with the approved Project's Community Communication Strategy, including noise monitoring and maintaining records of complaints and updating complainants about specific measures taken to address their concerns;
5. A register of complaints being submitted within 48 hours to the Department at Compliance@planning.nsw.gov.au and infrastructure.notification@planning.nsw.gov.au.

Please ensure you obtain any permit or approval required from any other agency for the OOH works.

If you have any questions, please or wish to discuss the matter further, please contact Shiraz Ahmed at 9274 6534 or email shiraz.ahmed@planning.nsw.gov.au

Yours sincerely
