**Attention: Peter Brogan**

Dear Peter

### **St Aloysius College SSDA Revised Noise Impact Assessment**

Please find revised noise impact assessment addressing matters raised during public exhibition; namely:

- *The NIA must be updated to:*
  - *Confirm that the assessment has considered the proposed hard surface materials on the rooftop terrace as set out in the Landscape Plan submitted with the EIS; – Confirm that is the case (as it was in original report). Paragraph added to Section 5.1.1.2*
  - *Include conclusions in relation to mechanical plant emissions; and – Added Section 5.1.4*
  - *Address the updated Noise Policy for Industry 2017. – Revised Section 4.1 and all subsequent criteria accordingly*
- *Acoustic Impact of proposed mechanical plant, and proposed measures to mitigate. – Added Section 5.1.4*

Should you have any further queries, please don't hesitate to contact me directly.

Yours sincerely

ALEX CAMPBELL  
Technical Director - Acoustics
