Hi Mark,

I refer to your consultation letter of 16 January 2018 regarding the above proposed development. It is advised that the report prepared by de Witt Consulting in support of the request to the Department for SEARS generally identifies the key issues associated with the proposal and the various reports required to be submitted in support of the development application. Additional Issues raised by Council concerning SEPP(Vegetation in Non-Rural Areas)2017, crime prevention and traffic/parking were included in the SEARS.

Thank you for the consultation.

Regards
