Organisation: Temora Shire Council (Town Planner)
Govt. Agency: Yes
Email: cgolder@temora.nsw.gov.au

Address:
105 Loftus Street

Temora, NSW
2666

Content:

Temora Shire Council considers that the following chapters of the Temora Development Control Plan 2012 are relevant to the application and should be considered: engineering standards, environmentally sensitive areas, erosion and sediment control, industrial development, landscaping and rural development. We also highlight that Council has a Section 94A Developer Contributions Plan in place. Although Council is not realistically expecting a contribution based upon the 1% value of the development, a contribution based upon the civil works involved with the project, under a planning agreement is reasonable, given the anticipated additional demands on Council resources as a result of the construction and future operation of this project.
