

Powering a Sustainable Future

12 January 2021

Department of Planning Industry and Environment

Dear Nicole Brewer
Director
Energy Assessments

Sebastopol Solar Farm – Commencement of Construction

We refer to the Schedule 2 – Administrative Conditions of the Conditions of Consent clause 8 where the Applicant should notify to the Department prior to the commencement of operations.

We confirm that Sebastopol Solar Farm (the **Plant**) will start the construction activities on 14th January 2021 with the mobilisation of the main Contractor and establishment of the temporary facilities.

We will confirm to the Department in due course when the Construction is completed, and testing phase commences.

If you have any question, please do not hesitate to contact me.

Yours sincerely

Javier Herrera
Principal Representative
