Subject: ASICS Facility, Marsden Park - SSD 9153 - Response To Submissions

Hello Olivia

I refer to your below email of 12 July 2018 regarding the Response to Submissions (RTS) Report addressing the comments and matters raised during the exhibition of the ASICS Facility development application (SSD 9153). Submissions need to be made to the Department by 27 July 2018.

In regards to the items raised by Endeavour Energy in its submission to the Department made on 16 May 2018, Endeavour Energy has noted the following in the Response to Submissions:

Endeavour Energy		
<i>Electricity Easement</i>	Noted presence of Endeavour Energy easement and requirements for works within easement	Noted. The proposal has been designed and would constructed in accordance with the easement restrictions.
<i>Network Capacity</i>	Noted standard requirements for electricity supply	Noted. Sydney Business Park would address supply accordance with Endeavour Energy requirements.
<i>Vegetation Management</i>	Noted standard requirements for suitable planting in proximity to electricity infrastructure	Noted. The landscape plan avoids plantings within Endeavour Energy easement area, and large trees in vicinity of the easement.
<i>Access</i>	Noted standard requirements for management and access to the easement	Noted. The proposal has been designed and would constructed in accordance with the management/access requirements.
<i>Safety</i>	Noted standard requirements in relation to 'Dial Before You Dig', public safety and emergency contact	Noted. The proposal would be undertaken in accordance with these safety requirements.

Endeavour Energy has no further recommendations or comments regarding the Response to Submissions.

In regards to the Revised Architectural Design Plans, Revised Landscape Design Plans, and Revised Civil Design Plans, the recommendations and comments previously provided in the attached copy of the submission made by Endeavour energy to the Department on 16 May 2018 remain valid.

Should you wish to discuss this matter, or have any questions, please do not hesitate to contact me. Due to the high number of development application / planning proposal notifications submitted to Endeavour Energy, to ensure a response contact by email to Property@endeavourenergy.com.au is preferred.

Kind regards
