1.1 INDICATIVE SITE MASTER PLAN - SCOPE BOUNDARY

An indicative landscape master plan has been prepared for the site to reflect the various principles established for the project and capture the intent of the landscape proposition. The master plan itself is subject to detailed development, as is the detailed design of the various landscape spaces.

LEGEND

SSDA Landscape Scope

Planning & Environment

Issued under the Environmental Planning and Assessment Act 1979

Approved Application No. SSD 9241

granted on the 16 February 2019

Signed DM

Sheet No. 25 of 48

LANDSCAPE GRAPHIC MASTERPLAN

DRAFT
LA-ARC-0112

RAVINE

- Long, narrow, steep sided valley
- Terracing rock and landscape treatment

CAVE

- Enclosed by structure / walls
- Limited exposure to natural light
- Long view lines

OUTCROP

- Extensive view lines
- Exposed to natural elements
- Open and clear landscapes

GULLY

- Dense planting
- Sheltered, enclosed on all sides
- Potential to incorporate water
- Limited exposure to light but a strong connection to the sky above

ROCKFACE

- Dense planting
- Terraced landscape treatment
- Ability to traverse multiple levels and soften built form

CLEARING

- Minimal changes in topography
- Exposed to natural elements
- Opportunity for activation

GLADE

- Clearing or passage within a forest
- Break in tree coverage
- Opportunity for views to wider landscape + activation

Planning & Environment

Issued under the Environmental Planning and Assessment Act 1979

Approved Application No. SSD 9241

granted on the 18 February 2019
