Dear Shiraz

Wentworthville Public School (SSD 9273): Further Request to alter the timing for registering for Green Star Certification

In addressing Condition B18 of the Wentworthville Public School development consent, School Infrastructure NSW (SINSW) is seeking the Secretary's agreement to alter the timing for SINSW to register for a 4 star Green Star rating with the Green Building Council of Australia (GBCA).

An extension was granted by the Department on 09 October 2020 for an additional 22 day from the initial extension granted on 19 December 2019. This approved extension will lapse on 30th October 2020.

A supplementary request to seek the Secretary's approval for the Sustainable Schools Certification Scheme has been lodged to the Department on 7 August 2020. SINSW will seek the Secretary's approval to adopt the alternate Scheme for this project upon acceptance of the Scheme.

It is requested that one additional month from the date of this letter be granted to allow sufficient time to obtain the Department's approval of the Scheme and to submit an application to apply the Scheme to this project.

Should you have any queries regarding this correspondence or require any further information on this matter please contact Gavin Ng, Principal Compliance Officer on 0409 596 887.

Yours Sincerely,

Michael Jarman
Project Director
