Dear Mr Shand,

**Samuel Gilbert Public School Redevelopment (SSD 9274)
Acknowledgement receipt of Operational Transport & Access Management Plan, Condition D11**

I refer to the Operational Transport and Access Management Plan (OTAMP), Version 7 dated 13 July 2021, submitted to the Planning Secretary in accordance with condition D11 of SSD 9274.

I note that the OTAMP:

- has been reviewed by the Applicant and no issues have been raised;
- has been prepared in consultation with the School, Council, CDC Bus Transit Systems and Transport for NSW;
- contains the information required by condition D11;
- has been approved by the Certifying Authority; and
- has been submitted to the Department prior to the commencement of operation.

Accordingly, I acknowledge receipt of the OTAMP, Version 7 dated 13 July 2021, for the Department information under condition D11 of the consent (SSD 9274).

You are reminded to implement and monitor safety, transport and operational measures as outlined in the OTAMP.

Please note that if there is any inconsistency between the submitted plans and the conditions of consent, then the requirements of the conditions of consent will prevail.
