Heritage Interpretation Strategy**

I refer to the Heritage Interpretation Strategy (Strategy) submitted on 5 March 2020 in accordance with Condition B38 of Schedule 2 of the above consent.

The Department has carefully reviewed the Strategy and is satisfied that it:

- has been prepared in consultation with local Aboriginal stakeholders
- will raise future building occupant's awareness of local Aboriginal culture and heritage
- incorporates landscape design, species selection and interpretation strategies.

Accordingly, as nominee of the Secretary, I endorse the Heritage Interpretation Strategy (prepared by Artefact Heritage Services Pty Ltd, project number 18278, revision 5, dated 12/11/2019)

Please ensure that the approved documents are placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Rodger Roppolo on 8289 6876

Yours sincerely
