To whom it may concern at McKenzie Group,

With reference to the below document, dated 13th August 2019 and issued to us by Lendlease Building on 4th November 2020:

*Development Consent (SSD9326) South Tower, Schedule 2
Part B – Prior to Issue of Construction Certificate
Design Excellence and Design Integrity Review, Items B1 & B3*

We confirm that Grimshaw has been commissioned by Lendlease Building as the Head Design Consultant across the precinct, noting that this is an integrated station development including the new Martin Place Metro station, as well as the North and South Towers, as required by Item B3.

We confirm that we, Grimshaw, have engaged Tzannes as the Principal Architect for the South Tower, for design documentation, contract documentation and construction stages. Tzannes' role includes review of design documentation, shop drawings submissions and mock-ups developed by the Executive Architect, trade partners, suppliers and subcontractors with regard to architectural design intent, providing design advice and attending design walks (construction stage).

We trust this letter addresses both Items B1 & B3 in the Conditions of Consent.

If you have any queries, please do not hesitate to contact me.

Sincerely,

Michael Janeke
