Dear Mr Ahmed

Alex Avenue Public School (SSD 9368): Submission of Green Travel Plan, in accordance with Condition D20

I refer to Alex Avenue Public School approved on the 21st May 2020.

In accordance, with condition D20 of the Development Consent, the following documents have been submitted to the Planning Secretary for approval:

- SSD 9368 – D20 – School Travel Plan
- SSD 9368 – D20 - Traffic Engineer CV
- SSD 9368 – D20 – Consultation with council
- SSD 9368 – D20 – Consultation with TfNSW

Please note that this submission covers two conditions in one document called the School Travel Plan. The school transport plan, which is reflected in DPIEs new School Transport condition is the amalgamation of the Operational Transport Access Management Plan (“OTAMP”) (SSDA condition D21) and The Green Travel Plan (“GTP”) (SSDA condition D20). As DPIE will be aware this is a living document and from an operational perspective this is an easier document.

Notwithstanding this, within the document is a condition compliance matrix which indicates which parts of the report satisfy each component of the conditions. It is for these reasons we request that DPIE accept this document as satisfaction of the OTAMP and GTP conditions.

The documents have been reviewed internally by myself and the Compliance Team.

Department of Education therefore submits the above documents to the Planning Secretary for approval.

Yours sincerely

Jim Lewis
