Subject: Galungara (previously Alex Avenue) PS - Food Business Registration

Blacktown City Council Environmental Health Department,

Galungara Public School intends to operate the school canteen facility in accordance with SSDA consent conditions.

The principal, Tracy Anderson is currently resolving tenderers at present for the canteen operator.

The school anticipates the operator will be appointed and on board from commencement of Term 2 or 3 2021.
This timing will coincide with increased enrolment numbers.

The Food Business registration form for the procured Food Operator required by council will be issued as a minimum, 2 weeks prior to operation.

We trust that this arrangement is sufficient to comply with the councils requirements for registration of a food businesses.

Please find attached interim Food Canteen Registration form. The canteen will not operate until such time that a Food Business operator has been appointed.

In addition, the Food Compliance Certificate, in accordance with the SSD condition and AS 4674 will be issued in the coming days.

Should you require any interim details on the future food canteen, please don't hesitate to contact me.

Regards,

Jaron Hoffenberg
