Congratulations! Your project is now registered for a Green Star - Design & As Built v1.2 rating.

Austino Property Group can now market their desired rating and registration, according to the [Green Star Trade Mark Policy](#).

Next Steps:

Resources: A range of resources are available for you to use from the GBCA Website. Information on the Certification Process and resources available can be found in the [Submission Requirements](#) on the GBCA website. If you have any technical questions, you can ask this online through the [Green Star Project Manager](#).

Submit documentation for assessment: When you are ready to submit documentation, please go to your [Green Star Project Manager](#) to access the [GBCA Submissions Portal](#). Then simply go to "Submit documentation for assessment" to let us know you're ready to have this assessed. Please ensure this registration confirmation is included in the General Section of your submission for assessment.

We're here to help! To talk more about Green Star Certification, your project, and its entitlements, contact your **GBCA contact, Benita**.

Kind Regards,

The Green Star Solutions team
