SSD 9403 – 1-2 MURRAY ROSE AVE, SOP

Dear Andy,

The Government Architect NSW has been asked to provide independent design review commentary on State Significant Development application SSD 9403. Please find our response below.

This review is based on the Environmental Impact Assessment prepared by Urbis, focusing on the following:

- Appendix A – NatHERS report
- Appendix E – BASIX report
- Appendix F – Green Start Scorecard

The proposal has satisfactorily addressed the issues raised.

Please contact me if you require any clarification

Thank you
Carol
