Hi Nikki,

Thanks for the referral, I've had a look at the documents and the Heritage Division has no issues or concerns in relation to State Heritage matters.

Please note, DPE does not need to refer this project, including any future modifications, to the Heritage Council (i.e Heritage Division of OEH), however other Divisions of OEH may respond separately in relation to Aboriginal Cultural Heritage or biodiversity. I've Cc'd in their email here as I'm not sure if this was also referred to those teams (the customer strategies mailbox is only for the Heritage Council and is only monitored by the Heritage Division).

Kind regards
Adrian
