

Comments taken from DPIE – Crown Lands submission for SSD 9490

DPIE Crown Lands provide the following comments

- Access to the Boral Sand Quarry site is via a track in use over Crown reserve R170039 for Public Recreation
- Boral hold Crown licence 196915 for “access” over Part Reserve 170039 (being part Lot 7300 DP 1130730)
- The Department will continue to work with the Proponent to update the Schedule 2 Licence diagram to accurately reflect the location of the track in use
- Landowners consent from the Department of Industry Planning and Environment – Crown Lands is not required as the Development Application relates to the use of the land for a purpose for which a licence has been granted under the Crown Lands Management Act
