

Michael Sun
Project Manager
ESCO Pacific Pty Ltd
Level 4, 13 Cremorne Street
Richmond VIC 3121

02/02/2022

Dear Mr Sun

**Wyalong Solar Farm (SSD-9564)
Traffic Management Plan (Onsite construction and site access)**

I refer to the Traffic Management Plan submitted in accordance with condition 6 of Schedule 3 of the development consent for the Wyalong Solar Farm (SSD-9564).

The Department notes this Traffic Management Plan considers traffic activities associated with the onsite construction of the solar farm and the site access intersection only.

The Department notes that under condition 4 of Schedule 3, road upgrades and site access are required prior to the commencement of construction. The Department understands ESCO Pacific intends to submit a separate Traffic Management Plan to address the upgrades associated with the Newell Highway Intersection, Bodell's Lane and Bland Lane.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent for construction of the solar farm and the site access intersection only.

Accordingly, the Secretary has approved the Traffic Management Plan (Revision Final 05, dated 17 January 2022). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely

Nicole Brewer
Director
Energy Assessments

As nominee of the Secretary
