Dear Mr Desylva,

**Santa Sophia Catholic College (SSD-9772)
Operational Transport and Access Management, Condition E23**

I refer to the Operational Transport and Access Management Plan (OTAMP) submitted to the Planning Secretary in accordance with condition E23 for the Santa Sophia Catholic College project (SSD 9772). I acknowledge and thank you for your response to the Department's request for additional information.

I note that the OTAMP:

- has been reviewed by the Applicant and no issues were raised;
- has been prepared in consultation with Transport for NSW and Council;
- contains the information required by condition E23 of the consent;
- has addressed the comments raised by the Department; and
- has been submitted prior to the commencement of operation of the school.

Accordingly, as a nominee of the Planning Secretary, I am satisfied that the revised Operational Transport and Access Management Plan, Rev VI dated 29 October 2021, has been prepared in accordance with condition E23 of SSD 9772.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions or wish to discuss the matter further, please contact Sidonie Crepeau at sidonie.crepeau@planning.nsw.gov.au.

Yours sincerely,

Jake Shackleton
Director – Infrastructure Management

As nominee of the Planning Secretary
