Re: Conditions of Consent - Access to Information

Dear Megan,

Reference is made to SSD 9787 Conditions of Consent A24 in relation to the establishment and population of a website for public access to information and documents relating to the development.

Nihon University has established the website at the URL <https://sites.google.com/a/nihon-u.ac.jp/newcastle/> and at the QR Code below. The website access information has been added to the construction site signage.

The website will be maintained and updated in accordance with the conditions of consent. Should you require further information on the compliance report please feel free to contact either Katherine Daunt or Edward Clode at dwp Australia Pty.

Yours sincerely,
