10/08/2020

Dear Ms Ballango

**Redevelopment of Sydney Football Stadium Stage 2 (SSD 9835)  
Extension of Approval of Out of Hours Request for Delivery of Oversized Plant or  
Structures – Condition C6**

I refer to your submission dated 3 August 2020 attaching a noise monitoring report as required under the conditional approval issued by the Department on 12 June 2020 for OOH works in accordance with condition C6 of SSD 9835.

After assessing the noise monitoring report and because there have been no community noise complaints during the one-month trial period, I extend the validity of OOH works until 15 April 2021. You are required to continue to comply with the conditions as stated in the Department's approval of 12 June 2020, including the submission of noise monitoring results on a monthly basis for the next three months from the date of this letter.

Please be advised that this approval may be reviewed should there be noise complaints including unsatisfactory noise mitigation and control measures.

Please ensure you obtain any permit, permission or approval required from any other agency for OOH works relating to the delivery of oversized plant or structures.

Should you have any questions, or wish to discuss the matter further, please contact Shiraz Ahmed at 9274 6534 or email [shiraz.ahmed@planning.nsw.gov.au](mailto:shiraz.ahmed@planning.nsw.gov.au).

Yours sincerely

A handwritten signature in black ink, appearing to read 'Erica van den Honert'.

Erica van den Honert  
Director  
Infrastructure Management

As nominee of the Planning Secretary
