Dear Ms Ballango,

**Redevelopment of Sydney Football Stadium Stage 2 (SSD 9835)
Heritage Interpretation Plan - Condition B46**

I refer to your submission seeking to demonstrate to the Planning Secretary's satisfaction that the Heritage Interpretation Plan (HIP), Rev 7 dated 19 October 2020, meets the requirements of condition B46 of SSD 9835. I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the HIP:

- has been reviewed by Infrastructure NSW and no issues have been raised;
- has been prepared to address relevant requirements of the condition of consent; and
- has been submitted to the Department prior to the commencement of the public domain works.

As nominee of the Planning Secretary, I am satisfied that the updated HIP, Rev 8 dated 16 November 2020, meets condition of consent B46.

You are also reminded that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent will prevail. Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Shiraz Ahmed at 02 9274 6534.

Yours sincerely

Carl Dumbleton
