Dear Ms Ballango,

**Redevelopment of Sydney Football Stadium - Stage 2 (SSD 9835)  
Public Art Plan - Condition B11**

I refer to your submission dated 20 November 2020 seeking the Planning Secretary's approval of the Public Art Plan under condition B11 of the conditions of consent for the Sydney Football Stadium – Stage 2 SSD 9835. I acknowledge and thank you for your response to the Department's review comments and requests for additional information. I note that the final Public Art Plan:

- has been reviewed by the Applicant and no issues have been raised;
- contains information as required under conditions B9 and B10 of the consent; and
- has been submitted prior to the commencement of construction of the public domain areas within the project site.

As nominee of the Planning Secretary, I approve the final Public Art Plan dated February 2021 under condition B11 of SSD 9835 subject to the following update:

- The final Heritage Interpretation Plan was approved by the Department on 1 December 2020. This date should be updated throughout the document with reference to its approval.
- The Department suggests references to SCSGT where they occur in conditions paraphrased within the document need to remain unchanged and a supplementary note can be added to state the relationship between the SCSGT and Venues NSW.

Please submit the revised plan to the Department for information.

If there is any inconsistency between the approved document and the conditions of consent, then the requirements of consent will prevail.

If you have any questions, please contact Shiraz Ahmed at 9274 6534.

Yours sincerely

**Jake Shackleton**  
A/Director - Infrastructure Management
