Dear Erica

**Re: SSD 9835 Sydney Football Stadium Redevelopment – Notification of Commencement**

I refer to SSD 9835 for Sydney Football Stadium Stage 2 (Design, construction and operation), which was approved by the Minister for Planning and Public Spaces on 6 December 2019. Savills has been appointed by the Applicant, Infrastructure NSW, to manage the post approval activities leading up to the commencement of construction.

Conditions B1 and B2 of the consent state:

*B1. The Applicant must notify the Planning Secretary in writing of the dates of commencement of any work and operation at least 48 hours before those dates.*

*B2. If the construction or operation of the development is to be staged, the Planning Secretary must be notified in writing at least 48 hours before the commencement of each stage, of the date of commencement and the development to be carried out in that stage.*

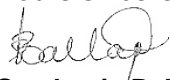

On behalf of Infrastructure NSW, and in accordance with Conditions B1 and B2 of SSD 9835, we wish to advise that John Holland is proposed to commence:

- bulk earthworks, retaining walls, enabling and temporary works (for example shoring) to facilitate future stages on **16 March 2020**, in accordance with the first Crown Certificate (CC1); and
- stadium sub-structure elements including piles, foundations, footing construction and in-ground services in accordance with CC2 are scheduled to commence on **20 April 2020**.

Commencement of works under CC1 and CC2 are contingent upon John Holland fulfilling all relevant conditions of consent and securing Crown Certificates from the certifier Blackett Maguire & Goldsmith. Infrastructure NSW will provide the Department with the Crown Certificates when issued and will notify the Department of any adjustments to the scheduled commencement dates should they arise.

Should you have any questions regarding this letter please contact the undersigned on 0412 775 365.

Yours sincerely
