Dear Ms Ballango,

**Sydney Football Stadium Redevelopment (SSD 9835)  
Acknowledgment receipt of CPTED and Anti-Social Behaviour  
Strategy, Conditions B55 and B56**

I refer to your submission of the updated Crime Prevention Through Environmental Design (CPTED) and Anti-Social Behaviour Strategy to the Planning Secretary under condition B55 of the conditions of consent for the Sydney Football Stadium Redevelopment (SSD 9835).

I note that the updated documents (CPTED and Anti-Social Behaviour Strategy);

- have been reviewed by the Applicant and no issues have been raised;
- have been updated to reflect issues concerning Stadium Fitness Facility following approval of MOD2 of the consent;
- have been prepared in consultation with the identified stakeholders; and
- contain the information required by condition B55 of the consent.

Accordingly, I acknowledge receipt of the updated CPTED dated July 2021 and Anti-Social Behaviour Strategy dated May 2021 for the Department information under condition B56 of the consent (SSD 9835).

You are reminded that any recommend measures or controls must be included into the final design and/or relevant operational plans of the entire redevelopment.

Please note that if there is any inconsistency between the acknowledged document and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions, please contact Matt Wood at [matthew.wood@dpie.nsw.gov.au](mailto:matthew.wood@dpie.nsw.gov.au).

Yours sincerely
