PART C: SECTION 10.7(5) OTHER RELEVANT MATTERS AFFECTING THE LAND

The following information is provided in good faith and Council shall not incur any liability in respect of such advice in accordance with section 10.7(6) of the Environmental Planning and Assessment Act 1979.

23. RESOLUTION OF COUNCIL TO PREPARE AMENDING LOCAL ENVIRONMENTAL PLANS

Council has not made any resolution to amend Griffith Local Environmental Plan 2014.

24. TREE PRESERVATION ORDER

Griffith City Council has adopted a policy in respect to the preservation of trees. This policy states that a person must not ringbark, cut down, top, lop, remove, injure or wilfully destroy any tree or other vegetation to which any such policy applies without the authority conferred by development consent or a permit granted by Council.

25. BUFFER ZONES

The subject site has not been mapped as being within a buffer zone of an industry or other activity.

26. SECTION 64 CONTRIBUTIONS (LOCAL GOVERNMENT ACT, 1993)

The effect of section 64 of the Local Government Act 1993 is to give the functions of the Water Management Act 2000 to Council in the same way it applies to a water supply authority. Section 306(2) of the Water Management Act 2000 enables a water supply authority to require a developer to do either or both of the following:

- (a) *to pay a specified amount to the water supply authority by way of contribution towards the cost of such water management works as are specified in the notice, being existing works or projected works, or both,*
- (b) *to construct water management works to serve the development.*

In this regard Griffith City Council has Development Servicing Plans for water, sewerage and stormwater which may apply to the land, details of which are available on Council's website, www.griffith.nsw.gov.au. For further information pertaining to these development servicing plans please contact Griffith City Council.

27. PROPERTIES NOT CONNECTED TO SEWER

If the property is not connected to the sewer and sewage management facilities are provided, owners of the land need to comply with the performance standards of the Local Government (General) Regulation 2005 and possibly specific Council requirements. Any intending purchaser will need to consider the adequacy of the facilities and sewage management arrangements in place.

Purchasers of land will need to make application to enter into a sewage management agreement for the operation of facilities within three (3) months of purchase.

28. RURAL NUMBERING

Council is in the process of releasing Rural Numbers to all occupied properties in the Griffith Local Government Area. If the land is within the affected area, you may notice a change of property address however the real property description, being the Lot and Deposited Plan (DP) number remain unchanged. You will need to update your records to take advantage of any roadside delivery service provided by Australia Post.

For further information about Rural Numbering contact Griffith City Council. If you have questions regarding any roadside delivery service you are advised to contact Australia Post.
