Att: Ms Laurenne Coetzee

18/12/2020

Dear Ms Coetzee

**Snowy 2.0 Segment Factory (SSI 10034)
Operational Staging Plan**

I refer to the Operational Staging Plan submitted in accordance with Condition 3, Schedule 4 of the Snowy 2.0 Segment Factory approval.

The Department has carefully reviewed the document and is satisfied that it adequately describes the reasons why manual production of segments will occur concurrent with the ongoing construction of the Segment Factory. The Department also notes that the noise monitoring program and environmental management strategy have been updated to reflect this staging.

Accordingly, the Planning Secretary has approved the Operational Staging Plan (Revision B, dated 17 December 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact me on 6575 3402.

Yours sincerely

Benjamin Harrison
Director
