

Justin Perrott
Associate Director, Environmental Management
Safety Environment and Regulation
Transport for NSW
7 Harvest Street
Macquarie Park NSW 2113

12/07/2021

Dear Mr Perrott

**Redfern Station Upgrade (SSI-10041)
Out-Of-Hours Work Protocol – Revision 7**

I refer to the Out-Of-Hours Work Protocol Revision 7 for the Redfern Station Upgrade submitted to the Department for approval as required under condition D19 of SSI 10041. I also acknowledge your response to the Department's request for additional information.

I note that the Out-Of-Hours Work Protocol Revision 7:

- has been updated to address the project's Acoustic Advisor review of the existing background and ambient noise levels at Noise Catchments near Redfern Station,
- has been reviewed by Transport for NSW and no issues have been raised, and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Redfern Station Upgrade Out-Of-Hours Work Protocol, Revision 7, dated 13 May 2021 under condition D19 of SSI 10041.

Please continue to monitor the effectiveness and uptake of noise mitigation measures outlined in the Protocol during any out of hours works.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Matthew Todd-Jones on 02 8289 6673.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management

As nominee of the Planning Secretary
