Dear Mr Hodgson

**Sydney International Speedway (SSI-10048)**  
**Condition D1: Operational Environmental Management Plan**

I refer to the Sydney Speedway Operational Environmental Management Plan (OEMP), revision 7, dated November 2021, which was submitted to the Planning Secretary for information, in accordance with Condition D1 of SSI-10048.

I note that the OEMP:

- has been reviewed by Sydney Metro and no issues have been raised; and
- has been prepared in accordance with the conditions of approval.

You are reminded that if there is any inconsistency between the OEMP, revision 7, and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Scott Cooper at [scott.cooper@planning.nsw.gov.au](mailto:scott.cooper@planning.nsw.gov.au).

Yours sincerely
