

MOOMBA TO WILTON PIPELINE - EAST COAST GRID EXPANSION STATE SIGNIFICANT INFRASTRUCTURE 15548591 MODIFICATION REQUEST

East Australian Pipeline Pty Ltd, part of the APA Group (APA), has made a request to modify State Significant Infrastructure (SSI) Approval SSI 15548591 under Section 5.25 of the *Environmental Planning and Assessment Act 1979* (EP&A Act) for the East Coast Grid Expansion Project (Modification Request).

The Modification Request is to construct and operate, through a staged approach, two new compressor stations on two lots owned by APA along the Moomba to Wilton Pipeline (MWP).

The Modification Request is proposed to be carried out on Lot 1 DP580284 within the Lachlan Shire Council local government area and Lot 3 DP593787 within the Central Darling Shire Council local government area.

Pursuant to Clause 193(4) of the *Environmental Planning and Assessment Regulation 2000* (the Regulation), notification of the Modification Request by way of an advertisement published in a newspaper circulating in the area in which the infrastructure is to be carried out, is to be no later than 14 days after the request is made.

Accordingly, APA as the applicant, gives notification pursuant to Clause 193(4) of the Regulation that the Modification Request has been made for SSI 15548591.

The Modification Request has been lodged with the NSW Department of Planning, Industry and Environment (DPIE) and will be publicly exhibited by DPIE so that the public can provide feedback on the project.

For further details on the project, including contact details, please visit the project webpage on the APA Group website at apa.com.au/about-apa/our-projects/east-coast-grid-expansion/
