SSI -4963: Pacific Highway Woolgoolga to Ballina Upgrade: Glenugie Interchange to Eight Mile Lane Interchange (CH 33500 to 36000) Environmental Assessment Modification

Dear Michael,

Roads and Maritime Services is proposing to realign a section of the currently approved Woolgoolga to Ballina Pacific Highway Upgrade in Section 3 near Picaninny Creek. The proposed modification includes the realignment of approximately 2.5 kilometres of the Woolgoolga to Ballina project between the existing Pacific Highway near Glenugie & Eight Mile Lane (CH 33500 and CH 36000). The modified realignment would occur up to 250 metres to the East of the Approved Project boundary.

We are seeking to modify the conditions of approval to allow the realignment to occur under *Section 115ZI of the Environmental Planning and Assessment Act, 1979*. Accordingly, please see attached the *Environmental Assessment Modification* which provides additional detail on the proposed modification

The proposed realignment has been developed in consultation of Government agencies & key stakeholders.

Please contact Scott Lawrence on (02) 6640 1375, if you require any additional information.

Yours sincerely

Robert (Bob) Higgins
General Manager, Pacific Highway
