Pacific Highway Upgrade – Woolgoolga to Ballina Project (SSI-4963) – Environmental Impact Assessment Modification Report – Temporary Intensification of Operations at Moonimba Borrow Site

Dear Michael,

I refer to previous communications regarding the draft Environmental Impact Assessment Modification Report – Temporary Intensification of Operations at Moonimba Borrow Site. Thank you for providing comments on the report on behalf of the NSW Department of Planning and Environment.

Roads and Maritime Services / Pacific Complete has consulted with relevant agencies and the community during the preparation of Environmental Impact Assessment Modification Report. Comments received from all relevant stakeholders have been considered during the finalisation of the report.

Updates within the Environmental Impact Assessment Modification Report are focussed primarily on community and stakeholder consultation (section 5). Technical reports for noise / vibration impacts and traffic impacts were updated based on feedback from stakeholders.

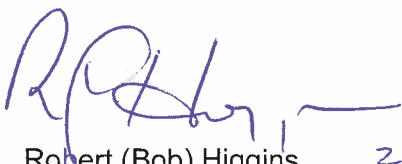

The following documents have been attached for your consideration:

- Attachment A: Finalised copy of the Environmental Impact Assessment Modification Report – Temporary Intensification of Operations at Moonimba Borrow Site (including technical appendices)
- Attachment B: Tracked change version of the Environmental Impact Assessment Modification Report
- Attachment C: Tabulated copy of feedback received from relevant stakeholders and responses from Roads and Maritime Services / Pacific Complete

Roads and Maritime / Pacific Complete now submits the Environmental Impact Assessment Modification Report – Temporary Intensification of Operations at Moonimba Borrow Site for approval from the Secretary under *Section 115ZI of the Environmental Planning and Assessment Act, 1979*.

For further information please contact Scott Lawrence (02) 6640 1375.

Yours sincerely,

Robert (Bob) Higgins
Director, Pacific Highway
