Environment Policy Statement

Roads and Maritime Services commits to undertaking its activities in a safe and environmentally responsible manner while effectively managing any risks that may lead to an impact on the environment. Our benchmark is best practice, cost effective environmental performance for our road and maritime network.

We are accountable

We take personal and collective accountability for addressing and minimising the environmental impacts of our activities and deliver our projects to satisfy the expectations and legislative requirements of the NSW and Federal governments and the NSW community.

We provide solutions

We lead the management of environmental risks and incorporate innovative solutions to ensure that all our activities are undertaken to minimise our environmental footprint.

We collaborate

We deliver our projects within a whole-of-government framework, by working in collaboration with our industry partners and regulatory stakeholders to achieve enhanced environmental outcomes and encourage a culture of environmental responsibility.

We listen and respond

We communicate openly, responsively and empathetically with our customers, partners and stakeholders on environmental matters.

We improve

We deliver continual improvement in environmental performance in all our activities.
