Dear Mr Borrelli

**CSSI 7474 Narrabri to North Star, Phase 1 (N2NS)
Construction Traffic, Transport and Access Management Plan (CTTAMP)**

I refer to the Construction Traffic, Transport and Access Management Plan (CTTAMP) Rev 1 which was submitted to the Department for information in accordance with Condition C4 of the conditions of approval for the Narrabri to North Star project (SSI-7474).

The Department notes that the document:

- is an updated version of the previously approved (Rev 0) document;
- contains various minor updates throughout; and
- has been reviewed and endorsed by the Environmental Representative.

You are reminded that if there is any inconsistency between the Construction Traffic, Transport and Access Management Plan and the conditions of approval, then the requirements of the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au

Yours sincerely

Grant Brown
