Figure A-6 Existing utility services - Rozelle east
**Figure A-7** Proposed utility services - Rozelle east

- **7m Wide Corridor:**
  - 11kV Syd Trains (639)
  - 250mm Potable Water
  - 160mm Gas
  - Ausgrid Distribution

- **6m Wide Corridor:**
  - 11kV Syd Trains (639)
  - 160mm Gas
  - Ausgrid Distribution
  - 250mm Potable Water
  - Telstra

- **5m Wide Corridor:**
  - Multiple 33kV Ausgrid
  - Ausgrid Distribution

- **4m Wide Corridor:**
  - Ausgrid Distribution
  - 300mm Potable Water
  - 160mm Gas
  - Telstra

- **3m Wide Crossing Corridor:**
  - 300mm Potable Water

- **2m Wide Corridor:**
  - Wastewater
  - Comms

- **1.5m Wide Corridor:**
  - Wastewater

- **0.6m Wide Corridor:**
  - 11kV Syd Trains (639)
  - 50mm Gas
  - Ausgrid Distribution
  - Wastewater
  - Comms

- **0.4m Wide Corridor:**
  - 33kV Syd Trains (759/760)
  - 250mm Potable Water
  - 160mm Gas
  - Telstra

- **Potential Route Outside of AOI:**
  - 33kV Syd Trains (759/760)
  - 11kV Syd Trains (639)
  - In Galvanised Steel Trough

- **Protect existing utilities corridor:**
  - Wastewater

- **Proposed utilities corridor:**
  - Joint Bay

- **Retain (Joint Bay):**
  - Joint Bay

- **Remove:**
  - Switching Station

- **Maintain Existing:**
  - All services in kerb and verge

- **LEGEND:**
  - Protect existing utilities corridor
  - Proposed utilities corridor
  - Potential route outside of area

---

*Note: The map includes various utility corridors with specific services and infrastructure details.*
