I refer to the Rozelle Interchange Tree Replacement Report Revision 02 dated 1 October 2021 which was submitted for information in accordance with condition of approval E179 of the M4-M5 Link Rozelle Interchange (SSI-7485).

I note that the Tree Replacement Report:

- has been reviewed by Transport for NSW and no concerns were raised; and
- contains the information required by the conditions of approval E177, E178 and E179.

While the Department acknowledges that the Tree Replacement Report has been submitted for information, recommended amendments to the document have been attached to this letter. These recommendations will improve consistency and support the objectives of both the Tree Replacement Report and the Urban Design and Landscape Plan.
