

Mr Tamjit Chahal
Project Director- WestConnex Rozelle Interchange
Transport for NSW
20-44 Ennis Road
Milsons Point, NSW 2061

15/12/2021

Dear Mr. Chahal

**WestConnex M4-M5 Link Stage 3B - Rozelle Interchange (SSI 7485)
Construction Parking and Access Strategy (Condition E54)**

I refer to the Construction Park and Access Strategy (CPAS), Revision 16, dated 19 November 2021, submitted to the Department as required under condition E54 of SSI 7485. I also acknowledge and thank you for your response to the Department's review comments and requests for additional information.

I note that the CPAS Revision 16:

- allows for temporary removal of 22 parking spaces on Lilyfield Road (Rozelle) from December 2021 until August 2023, to allow for establishment of site access gates;
- reinstates a total of 41 parking spaces on Clubb Street, Toelle Street, Byrnes Street and Manning Street (Iron Cove);
- has been developed in consultation with affected stakeholders and Inner West Council; and
- has been reviewed by Transport for NSW and no issues have been raised.

Accordingly, as nominee of the Planning Secretary I approve the Construction Parking and Access Strategy Revision 16, dated 19 November 2021. Please ensure that the approved plan is placed on the project website at the earliest convenience in accordance with condition B17.

I remind you of your commitment to continue to consult with the affected local community, and that you are required to manage any cumulative parking impacts around the Project area and other Transport for NSW projects in accordance with the mitigation measures outlined in the CPAS and its related documents.

I also remind you of your ongoing commitment to minimise the loss of on-road parking for local residents as required under the Project's Environmental Management Measures.

If you wish to discuss the matter further, please contact Mike Pereira at mike.pereira@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management

As nominee of the Planning Secretary
