**WestConnex M4-M5 Link (SSI-7485)  
Construction Parking Access Strategy (Condition E54)**

Dear Mr. Hitchings,

I refer to the revised Construction Parking Access Strategy (CPAS) Revision 19, dated 3 March 2021, which was submitted to meet condition E54 of Schedule 1 for the WestConnex M4-M5 Link Project Approval (SSI-7485).

I note that the CPAS, Revision 19:

- has been revised to include the removal of some offsite and onsite employee parking locations and to expand the dedicated employee bus route;
- has been reviewed by Transport for NSW and no issues were raised; and
- addresses the requirements of condition E54.

Accordingly, as nominee of the Planning Secretary I approve the CPAS (Revision 19, dated 3 March 2021). Please ensure that the approved plan is placed on the project website at your earliest convenience.

Please note that if there is any inconsistency between the revised CPAS and the conditions of approval, then the requirements of the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Carl Dumpleton at [carl.dumpleton@planning.nsw.gov.au](mailto:carl.dumpleton@planning.nsw.gov.au).

Yours sincerely,

**Jake Shackleton**  
A/Director - Infrastructure Management

As nominee of the Planning Secretary
