Dear Mr Chahal,

**WestConnex M4-M5 Link – Rozelle Interchange (SSI-7485)  
Additional Local Roads and Secondary Restricted Routes – Extension Request**

I refer to the Department's extension letter on the 7<sup>th</sup> of October 2020 regarding a three-month extension to use local road(s) and secondary restricted routes in accordance with the approved Transport, Traffic and Access Management Plan (TTAMP), which expires on the 7<sup>th</sup> of January 2021.

I note that you seek a further extension (SSI-7485-PA-60) due to the end of the year holidays and shutdown periods.

Accordingly, I grant a further extension until **8<sup>th</sup> of February 2021** for the use of these routes in accordance with the TTAMP. However, given this is the second request to extend the date to supply the information requested by the Department in its letter dated, 8 April 2020, further extension requests are unlikely to be granted.

If you wish to discuss the matter further, please contact Carl Dumpleton on (02) 9274 6283 or at [carl.dumpleton@planning.nsw.gov.au](mailto:carl.dumpleton@planning.nsw.gov.au).

Yours sincerely
