Dear Ms Coleman

**Parramatta Light Rail Stage 1 (CSSI 8285)  
Package 3 CEMP and Sub-Plans**

I refer to the Package 3 Construction Environmental Management Plan (CEMP) and Sub-Plans which were submitted to the Department for information in accordance with Condition C8 of CSSI 8285. I also acknowledge your response to the Department's requests for information.

I note that minor amendments have been made to the CEMP and sub-plans based on a six-monthly review and these documents:

- have been reviewed by TfNSW and no issues have been raised
- have been endorsed by the environmental representative and acoustic advisor (where relevant)
- contain the information required by the conditions of approval.

As nominee of the Planning Secretary, I acknowledge the submission of the following documents for information:

Document Name	Revision and Date
Construction Environment Management Plan	Rev 10, 7 May 2021
Construction Noise and Vibration Management sub-Plan including Noise and Vibration Monitoring Program	Rev 8.1, dated 7 May 2021
Construction Soil and Water Management Sub Plan	Rev 7, dated 7 May 2021
Construction Air Quality Management Sub-plan	Rev 5, dated 24 March 2021
Construction Waste and Resource Management Sub-Plan	Rev 4, dated 26 February 2021
Construction Contaminated Land Management Sub-Plan	Rev 5, dated 25 February 2021

You are reminded that if there is any inconsistency between the CEMP and Sub-plans and the conditions of approval, then the requirements of the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Grant Brown on 02 9274 6469.

Yours sincerely
