Dear Mr. Stevenson,

**Sydney Gateway Project (SSI 9737)
Communication Strategy (Conditions B1 – B6)**

I refer to the Communication Strategy which was submitted in accordance with conditions of approval B1 to B6 for the Sydney Gateway Project (SSI 9737). I also acknowledge and thank you for your response to the Department's review comments and requests for additional information.

I note that the Communication Strategy:

- has been reviewed by Transport for NSW and no issues have been raised; and
- has been prepared to address the requirements of the conditions of approval.

As nominee of the Planning Secretary, I approved the Communication Strategy (version 1, dated January 2021) under condition B3 of SSI 9737, subject to paragraph five of Appendix B on page 105 being amended to reference the correct condition of approval.

Please note, if there are any inconsistencies between the approved document and the conditions of approval, then the requirements of the conditions of approval will prevail.

Please ensure that the approved strategy is placed on the project website.

If you wish to discuss the matter further, please contact Carl Dumpleton on 02 9274 6283 or Carl.Dumpleton@planning.nsw.gov.au

Yours sincerely
