KINGS PARK METAL RECOVERY AND RECYCLING EXPANSION (SSD-10396)

21.10.2020

Dear William Hodgkinson – Team Leader – Industry assessments,
With regards to your letter dated 28 September 2020 regarding
the expansion of the above. Please note the below points.

- a. As a resident of 81 Turner street I strongly object the expansion also my community below too object such an extension where there are more than 2000 residents and business will have high impact with the noise pollution.
- b. Already this facility without expansion has caused such a havoc and with extension it will get to the boiling point and the business and the local community and also the local schools are impacted with the extension. We therefore seek immediate stop on the expansion and find a suitable place for Sell & Parker Pty Ltd in the foreseeable future.
- c. I have gathered the local communities to sign this petition and forward it to you for your immediate attention and action

Sincerely,

Jega Nadarajah CA CPA JP
