Dear Rita,

**RE: SSD-10385 Kambala Sport, Wellbeing and Senior Learning Precinct**

We refer to the above development application on exhibition and wish to make a submission in support of the application.

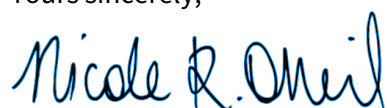

The Kambala Parents Association (KPA) is an incorporated representative body of the parents and friends of the school. It was established in 1927. I am also an executive member of the Kambala Old Girls Association.

The KPA supports this project on the following grounds:

- It will provide greatly needed sporting facilities for the school
- The design enables improved green space to be achieved on the site
- The sensitive design will provide an enhanced heritage curtilage around the treasured Tivoli building
- It will enable views and outlook to the harbour to be maintained, which the previous scheme that was approved on the site did not achieve

If you require any further information, please do not hesitate to contact the undersigned.

Yours sincerely,

Nicole O'Neil  
President of the Kambala Parent's Association
