

METRO WEST NEEDS ANOTHER STOP!

TO THE HON. ANDREW CONSTANCE, MP, NSW TRANSPORT MINISTER

Minister it is very disappointing to learn the Metro West rail project will not include a stop at Rydalmere or Camellia as originally proposed.

This means the Metro West rail line won't stop anywhere between Parramatta and Sydney Olympic Park.

The metro is either for the people of the west, or it is not.

We ask you to reconsider this oversight before construction begins so the people of Western Sydney can truly be served by Metro West.

METRO WEST NEEDS ANOTHER STOP!

TO THE HON. ANDREW CONSTANCE, MP, NSW TRANSPORT MINISTER

Minister it is very disappointing to learn the Metro West rail project will not include a stop at Rydalmere or Camellia as originally proposed.

This means the Metro West rail line won't stop anywhere between Parramatta and Sydney Olympic Park.

The metro is either for the people of the west, or it is not.

We ask you to reconsider this oversight before construction begins so the people of Western Sydney can truly be served by Metro West.

METRO WEST NEEDS ANOTHER STOP!

TO THE HON. ANDREW CONSTANCE, MP, NSW TRANSPORT MINISTER

Minister it is very disappointing to learn the Metro West rail project will not include a stop at Rydalmere or Camellia as originally proposed.

This means the Metro West rail line won't stop anywhere between Parramatta and Sydney Olympic Park.

The metro is either for the people of the west, or it is not.

We ask you to reconsider this oversight before construction begins so the people of Western Sydney can truly be served by Metro West.

METRO WEST NEEDS ANOTHER STOP!

TO THE HON. ANDREW CONSTANCE, MP, NSW TRANSPORT MINISTER

Minister it is very disappointing to learn the Metro West rail project will not include a stop at Rydalmere or Camellia as originally proposed.

This means the Metro West rail line won't stop anywhere between Parramatta and Sydney Olympic Park.

The metro is either for the people of the west, or it is not.

We ask you to reconsider this oversight before construction begins so the people of Western Sydney can truly be served by Metro West.

A petition by Julie Owens, ALP MP, Sydney, Parramatta, created by LetterPro.com 5/21/14, signed by 1 person.

METRO WEST NEEDS ANOTHER STOP!

TO THE HON. ANDREW CONSTANCE, MP, NSW TRANSPORT MINISTER

Minister it is very disappointing to learn the Metro West rail project will not include a stop at Rydalmere or Camellia as originally proposed.

This means the Metro West rail line won't stop anywhere between Parramatta and Sydney Olympic Park.

The metro is either for the people of the west, or it is not.

We ask you to reconsider this oversight before construction begins so the people of Western Sydney can truly be served by Metro West.
