Re: Gunnedah Waste Facility Application Number SSD-8530563

I would like to express my concern in regard to the proposed Gunnedah Waste Facility, to be constructed on Lots 1 & 2 DP 1226992 16 Torrens Road Gunnedah.

- The location of the Waste Facility is within close proximity to residential housing
- Noise /dust pollution, toxic waste contamination and the health impacts on the community
- Environmental impacts
- Lack of community consultation
- Enforcement of toxic waste regulations

Please accept the above as my objection to the Gunnedah Waste Facility.
