2.8 Development Proposal

The development proposal for the Budawang School involves the relocation of the existing Budawang School from Ulladulla to a part of a new lot within the former Shoalhaven Anglican School site at 17 Croobyar Road, Milton NSW.

In the context of transport and traffic, the proposed School will involve the following:

- A capacity of 80 student placements, accommodating students from ages 4 to 20 with moderate to severe intellectual and physical disability;

- Due to the nature of the school, the enrolment catchment is not clearly defined, and some student travel from as far as Nowra;

- An estimated staff population of approximately 34 FTE staff.
  It is noted that given the type of the school, this educational facility has a higher staff to student ratio compared to general schools;

- Three pick-up/drop-off spaces;

- 30 staff car parking spaces (inclusive of two accessible bays); and

- One shared loading bay accommodating trucks up to 11.3m for the purposes of deliveries to the hydrotherapy pool and waste collection.

The school is also proposing to provide a bike track within the school grounds, but it is noted that this will be used for physical education only. Bicycles used will be 3-wheeler bikes provided by and stored in the school.
